

NECESSITY

Is the mother of Invention. Invention is a fine child and peculiarly American; so we don't wonder that Necessity likes to be recognized as his mother.

We want to introduce another child of Necessity named Reduction; for Necessity is the mother of Reduction, and though he is not a child that shows off like Invention, he is helpful in his way.

SHEER NECESSITY

Forces us to make an all around reduction in every line, in order to reduce the excessive surplus of our summer stock. Our necessity is your opportunity, so don't delay, but come and get the benefit of manufacturers prices.

We are the recognized leaders in all lines. Our cash system enables us to make two bargains for one, and to save money for other people. We buy and sell for cash, and we buy better and lower and sell better and lower than any credit-crippled competitor.

WHAT We wish to call your attention to this week is our large line of Shoes—every pair warranted to be the very best in every particular of make and material.

WHY We sell only the best it easily explained;—the 'best' brings people back, holds custom, makes us friends and so establishes trade.

WHEN You want Shoe, you'll find us waiting—Monday, Saturday, Friday, Tuesday, Wednesday, Thursday—any day but Sunday.

WHERE We do business in the headquarters of the Shoe trade—perhaps we had better say footquarters. Why not?

WHO Are we? The carpenter is known by his chips—we by our Shoes. We are the reliable Shoe men.

The Great Western of Ohio, Inc. started up Aug. 8th, the ladies of the C. P. C. Chapter gave an ice cream supper for the benefit of their church. Notwithstanding the evening was dark and rainy, the attendance was large and the proceeds were ample, and everyone enjoyed themselves greatly. All the tables did well, and the food was to be had for next day was to be had again.
